2020-21 Student/Spouse Non-Filer Statement

Student Name

SSU I.D.

Instructions:

On your financial aid application, you reported that you **did not file** and **are not required to file** a 2018 federal income tax return. List below all of your sources of income from work in 2018 and the amount you earned from each employer.

A copy of EVERY 2018 W-2 form given to you MUST BE ATTACHED to this form. List every source of income from work in 2018, even if that employer was not required to give you a W-2. If you can't find the W-2 given to you by an employer, you can request another copy from that employer, or you can order a Wage and Income Transcript for 2018 at **www.irs.gov** by clicking "Get Your Tax Record" or by calling 1-800-908-9946. If you need more space, attach an additional page.

If a 2018 **"Verification of Non-filing Letter"** is in your To Do List, but you or your spouse do not have a Social Security Number (SSN) or an Individual Taxpayer Identification Number (ITIN), you must attach a written statement of explanation to this form.

For a non-filer who was not employed at all in 2018 and who had zero income earned from work, enter "not employed."
