

2022-23 Housing Clarification Form

Student Name

SSU I.D.

Your financial aid award offer was based on the housing plan of living on-campus that you reported on the FAFSA (Free Application for Federal Student Aid). However, you are not listed on the Housing Roster we received from SSU's Housing Office. If you believe this is an error, please contact the Housing Office at (707) 664-2541.

Your financial aid funds for the 2022-23 award year will not disburse until we have received this *Housing Clarification Form* back from you. A change in housing plans may result in changes to your budget and your award offer. If this happens, we will send you a Modified Award Offer notification to explain the changes.

If you have any questions, please contact us at (707) 664-2389 or by email at **finaid@sonoma.edu**.

Please indicate your new housing plan.

☐ Off-campus

☐ With parents

☐ On-campus with Housing License Agreement pending. If you check this box, your aid will not disburse until your housing charges are posted to your student account. **Note:** *If your plans change and you will **not** live on-campus, you must submit another 2022-23 Housing Clarification Form to our office with your updated housing plan.*
