

2023-24 Agency Clarification Form

Student Name

SSU I.D.

In accordance with the Federal Family Educational Rights and Privacy Act (FERPA) of 1974 (20 U. S. C. 1231g), the Financial Aid Office has been informed that you may be receiving services related to your educational expenses from an agency such as Vocational Rehabilitation, JobLink, etc.

If an agency is paying some of your educational expenses, you must report this amount to our office. Agencies should consider your grant and scholarship awards before they authorize services for you, so in most cases the resources you receive from the agency only affect your educational loan and work-study eligibility. Please return this form to our office as soon as possible so we can ensure your financial aid award package is accurate; however, we cannot make adjustments until after the add/drop period of each semester.

Please fill in the requested information below. Sign and date the form, then return it to our office.
